The Alyssa is a well-designed home that prioritizes simplicity, comfort, and everyday functionality.

Offering 1,400 sq ft of living space, this floor plan features 3 bedrooms, 2 baths, and a central living and dining layout that creates an easy, natural flow throughout the home.

A functional kitchen with adjacent pantry and a spacious primary suite with dual walk-in closets enhance daily living, while the patio provides a seamless extension of the home for outdoor enjoyment.

Thoughtful bedroom separation offers added privacy, making the layout ideal for families or guests. With its efficient layout and clean design, The Alyssa delivers a comfortable, low-maintenance living experience suited for modern lifestyles.
